

Meeting 10

Nikhil John

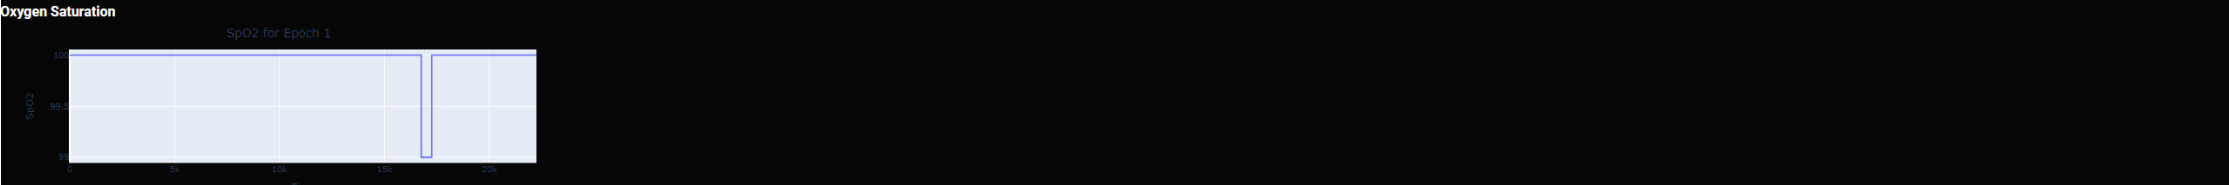

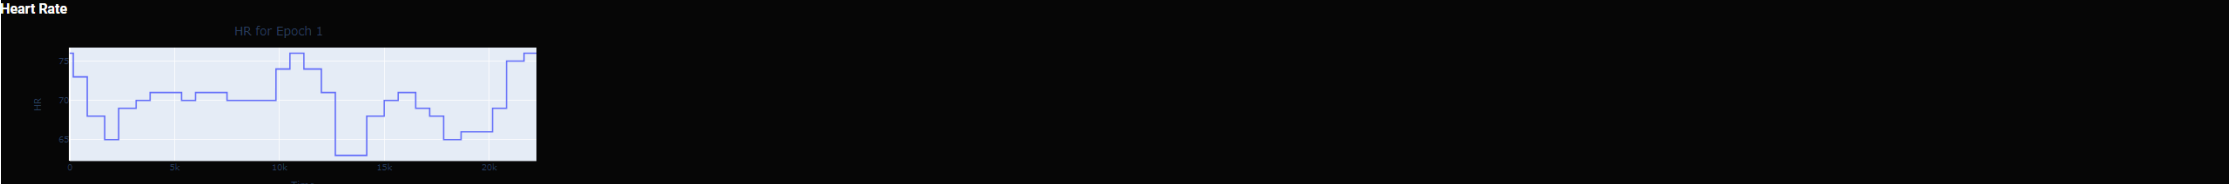

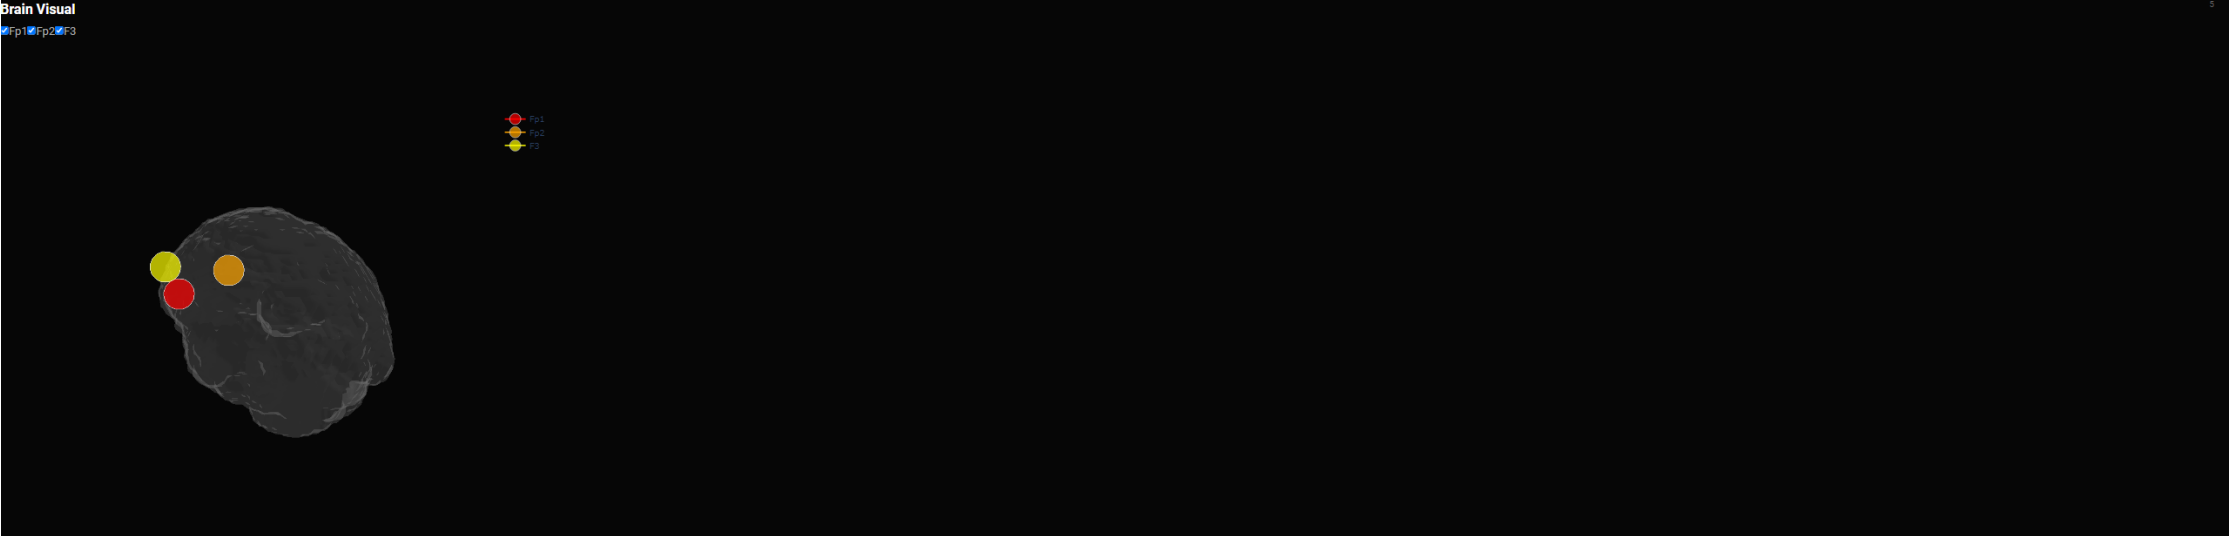

Deliverables

- Continue working on layout
 - Change slider placement and plots placement, colors/borders, dark theme

Methodology

- Stylesheets
- https://plotly.com/python/reference/layout/#layout-paper_bgcolor

ADELE

```
# app = dash.Dash(__name__, external_stylesheets=external_stylesheets)
app = dash.Dash(__name__, external_stylesheets=[dbc.themes.CYBORG, external_stylesheets])
```

```
width=800, # so it wont take up the entire row
height=800,
paper_bgcolor='rgba(0, 0, 0, 0)' # black background
```
